CEASED TEMPORIZING

General Otis Has Again Commenced Aggressive Tactics.

HIS COURSE IS APPROVED

By the War Department Officials in Washington, Who Believe the Filipino Insurgents Need Further Chastisement to Bring Them to a Realization of Their Position.

Washington, May 5.—The war department is satisfied from the dispatches received from General Otis that the American commander has put aside the insurgent temporizing over peace and has turned his attention to most aggressive tactics. The wisdom of this course was fully approved by officials here, who have foreseen that the rebels needed further chastisement in order to bring them to a realizing sense of their position. The early dispatches from General Otis clearly defined the general plan of his latest movements.

He is moving in two main columns. Major General MacArthur pushing straight forward over a nine-mile stretch of country between Calumpit and the latest rebel stronghold, San Fernando, and Major General Lawton directing a strong force over Colonel Sumner to prevent the insurgents from retreating from San Fernando into the mountains on the north.

The dispatches showed there had been hot work in the execution of this movement, particularly in General MacArthur's advance on San Fernando. The defeat of Luna at San Tomas and the scattering of the insurgent forces, leaves MacArthur four miles from San Fernando with a clear road before him. He will take the city today, according to General Otis' plans.

General Lawton's movement northward yesterday to Maasin is designed to keep a body of American troops to the north of the rebels and between them and their line of retreat to the mountains. A successful execution of this move will leave the insurgents well surrounded on the north, though there is a stretch of about seven miles from Maasin to the Rio Grande river, along which the rebels are retreating. If the rebels do succeed in getting into the mountains war department officials believe they cannot continue organized resistance, as the mountain localities afford much less opportunities for sustenance than the rice lands along the foothills and bottoms. The authorities here are well satisfied with the manner in which our forces are placed.

VIGOROUSLY RESISTED

Was General MacArthur's Advance on San Fernando.

Manila, May 5.—In spite of the peaceful overtures of their commissioners, the Filipinos vigorously resisted the advance of General MacArthur's division from Apalit toward San Fernando, fighting desperately at long range, after running from trench to trench when driven out by the American artillery. The movement commenced at 5:30 in the morning. General Hale's brigade, consisting of five battalions, under command of Major Young of the Sixth artillery, two battalions of the Fifty-first Iowa regiment, the First Nebraska regiment and the First Dakota regiment, advanced along the road a few miles west of the railroad line.

General Wheaton with Hotchkiss and Gatling guns under the command of Lieutenant Naylor of the Utah light artillery, mounted on handcars, pushed ahead, the Twentieth Kansas and First Montana regiments deploying to the right and left when feasible. Although the attacking force poured a very heavy artillery and musketry fire across the river, the enemy stubbornly

resisted for over an hour, ultimately breaking when Major Young shelled their left flank, and then retreating along the river bank under cover.

General Wheaton, in the meantime, tried ineffectually to draw the fire of the Filipinos in the trenches east of the track.

So soon as they discovered that the nature of the country would permit only a few skirmishers on each side of the embankment the rebels regained their courage and fought desperately for three-quarters of an hour, in the face of the American volleys and a rapid fire fusillade, until flanked by the Minnesota regiment. Then a general scramble ensued, most of the enemy boarding trains that were in readiness and the others taking the road to San Fernando, after burning the villages of San Tomas and Minalin.

About noon General Wheaton crossed over a broken bridge, cleared the stragglers out of the village and advanced toward San Fernando. General Hale effected a crossing simultaneously.

Our loss was two members of the Nebraska regiment and one of the Montana killed, and Captain Albrecht, three members of the Kansas regiment, two of the Montana, four of the Nebraska and one of the South Dakota wounded. The enemy's loss was very slight.

After a short rest the advance was continued, General Wheaton encountering the first series of entrenchments near San Fernando. The rebels now opened a hot fire.

WILL MONNETT TELL

Standard Oil Company Files a Motion in Reference to Bribery Charges.

THE OHIO SUPREME COURT

Asked to Compel the Attorney General to Give the Names of Individuals Who Attempted to Bribe Him. Complaint Says That There Is No Foundation for the Charges.

Columbus, O., May 5.—Hon. Virgil P. Kline and M. F. Elliott, as attorneys for the Standard Oil company, filed in the supreme court last evening a motion to compel Attorney General Monnett to make more specific the statement recently filed by him alleging that he had been approached by persons offering bribes if he would dismiss the suits against the Standard Oil company. The motion asks the court to require the names of all persons who are alleged to have been connected with the attempted bribery, not only of Mr. Monnett, but also of former Attorney General D. K. Watson to be given.

It is further asked: That a commissioner be appointed to take all legal testimony which bears upon the truth or falsity of the charges contained in the attorney general's statement to the supreme court, and that a disinterested attorney be appointed to conduct the examination upon the part of the court.

In support of the requests contained in the motion, the attorneys for defendant make the following statements upon information and belief, "that all the facts set forth in said papers, so far as they connect the defendant with any attempt at bribery or undue influence, are false; that, while Attorney General Monnett may have had conversations with some person unconnected with and unknown to the defendant, nothing therein occurred which gave the attorney general any reason to believe that the defendant had any knowledge of or connection with the matter; that the attorney general has filled the newspapers with false and libelous reports of attempts at bribery on the part of the defendant, well knowing there was no foundation for the same; that, until the attorney general gives the name of his friend, defendant cannot prepare to meet these charges, and by reason of these facts alleged it is evident that both F. S. Monnett and S. W. Bennett, must be witnesses in the case; that the attorney general is not disinterested and can only acquit himself of false and libelous statements and free himself from suspicion by proving defendant guilty of the charges he has preferred. Wherefore it is highly improper and unjust that he, as representative of the court, should conduct the investigation."

President McKinley Suffering Slightly From Rheumatism.
Washington, May 5.—President McKinley has decided to leave the city next Monday and to remain away for two, and possibly three, weeks. According to his present intention, the president will spend his vacation at Hot Springs, Va. He is suffering from a slight attack of rheumatism and is also feeling the strain which has been upon him for many months. He is anxious to enjoy perfect rest and at the same time to avail himself of hot baths, which will remove the rheumatic tendency.

The arrangements for the president's visit have not yet been fully concluded, but it is likely that a special train will be provided for Mr. and Mrs. McKinley and will leave here at 10 o'clock Monday morning, reaching the springs at 5 o'clock in the afternoon. The president and his wife will be domiciled at the Homestead hotel, as none of the cottages are yet ready for occupancy. The hot springs are only eight hours' railroad ride from Washington, so that the president could return at once to the capital if any occasion arises for his presence here.

During his absence the president will transact only such business as absolutely requires his personal attention.

MISSIONARY CLAIMS
Not Positive That the Porte Has Agreed to Pay Them.

Washington, May 5.—Inquiry confirms in a measure, the reports from Europe that the United States minister to Constantinople, Mr. Strauss, has secured assurances from the Turkish government that it will pay the claims of the American missionaries for property destroyed during the Armenian troubles some years ago. Several months ago Mr. Strauss succeeded in inducing the porte to open negotiations on this subject, but so far as the state department advises show it would be erroneous to state that the porte agreed to pay these claims, though having undertaken to consider them and having recognized the basis of the claim for compensation, there is every expectation that these claims will be adjusted.

ALASKA BOUNDARY
Canadians Not Disposed to Agree to a Modus Vivendi.

Washington, May 5.—It is stated here that not much progress has been made toward the arrangement of a modus vivendi to prevent further disagreements respecting the boundary line between this country and British Columbia. Canadian authorities have insisted that the conditions along the border were not so critical as had been represented on the American side and that there was no such real emergency as would demand the adoption of a modus vivendi. Their object, apparently, has been to endeavor to force an agreement of a permanent character respecting the boundary line by holding off from the adoption of a modus vivendi. The attitude has proven to be extremely irritating to the United States officials.

Atkinson's Mail.
Washington, May 5.—Many telegraphic requests were received at the capital yesterday as to whether the speeches and documents printed by congress, on which some of the inhibited Atkinson literature is based, may be sent in the mails. No restriction is placed on these documents except the three specifically described which were issued by Atkinson, and that restriction only applies to their dispatch in the mails forwarded from San Francisco to the Philippines.

First Train
In Four Months Entered Dillon Yesterday Amid Great Rejoicing.

Denver, May 5.—The first train over the South Park into Dillon for four months ran through solid walls of snow yesterday and steamed into the town amid the blowing of whistles and the ringing of bells. The snow blockade had been broken. Work is now progressing toward Leadville, and the entire South Park line from Denver to the big camp will be opened, it is said at the general superintendent's office, early next week.

HYDROPHOBIA

Terrible Condition of a Young Man Bitten by a Dog Years Ago.
Kentland, Ind., May 5.—A farmhand named James Carney, 20 years old, living near here, has been brought to this city and confined. He is suffering from a pronounced case of hydrophobia, being almost constantly in convulsions. While being brought to this city he made several attempts to bite his attendants. His condition is horrible. Carney was bitten by a dog eight years ago, but no symptoms of the malady were shown before the present attack, which came suddenly.

Had an Apoplectic Stroke.
Covington, Ind., May 5.—Mrs. Ollie Davidson, wife of Captain Edward Davidson of the old Sixty-third Indiana regiment of volunteer infantry, was stricken with apoplexy. It is not thought she can recover.

HAS DISAPPEARED

Jo Triborn of Great Falls, Mont., Missing in New York.
New York, May 5.—Mrs. Yetta Triborn of Great Falls, Mont., yesterday asked the police here to send out a general alarm with a view to learning the whereabouts of her husband, Jo Triborn, manager of the Montana Brewing company at Great Falls, who mysteriously disappeared last Sunday from the Grand hotel in this city, where he had arrived on that day to meet his wife, who was returning from Europe. On his arrival at the hotel Mr. Triborn deposited a large sum of money in the safe, where it now remains. His wife arrived here on Tuesday and spent the night after landing from an ocean liner in a hotel in Hoboken, coming to this city Wednesday to join her husband at the Grand hotel. On arriving there Mrs. Triborn learned that her husband had not been seen since Sunday. It is known that, apart from the money deposited, he had considerable money with him at the time of his disappearance.

MAYOR JONES

Will Be a Candidate For Governor of Ohio—Delegate Ballot Filed.
Toledo, O., May 5.—Late yesterday Reynold Voit, Mayor Jones' private secretary, filed with the board of elections a specimen ballot to be used at the Republican primary and on it is a list of 24 delegates to be voted for to represent Lucas county at the coming state convention. The specimen ballot is headed "Jones for governor," and a picture of the mayor is also at the head of the ticket.

Mayor Jones said last night that he knew of the ticket and knew that an effort was being made to nominate him, and that he knew of the list of delegates, but his position on the seeking of the nomination was the same as it had been. He will be a candidate providing the people want him. The only other list of delegates filed was one pledged to stand by the administration of President McKinley and unpledged as to the nominee for governor.

IMPORTANT REFORMS

In International Law to Be Made in Europe Next Week.
Paris, May 5.—Within the next few days a series of important reforms in connection with international law will come into operation on the continent of Europe. In 1894 a congress of international law took place at The Hague, at which all the continental countries of Europe were officially represented, Great Britain and the United States, however, being conspicuous by their absence. As the result of this conference an international convention was signed Nov. 14, 1896, ordaining that as soon as the various nations participating in the congress had respectively ratified the convention a number of important legal reforms would come into operation. Chief among these reforms is the agreement that henceforth a foreigner can plead and have recourse to the courts of continental Europe without being compelled, as hitherto, to deposit in advance a large sum of money by way of guarantee of the costs.

The obligation of making this heavy deposit has in most instances prevented foreigners from appealing for justice to the tribunals of the countries in which they happen to be, or to which the individual against whom they had cause for action belonged. The various signatory governments undertake to furnish legal redress and assistance free of cost to indigent foreigners, in the same manner as to people of their own nationality pleading in forma pauperis. These ratifications have been exchanged within the last fortnight and all the innovations come into force in the various countries that participated in the congress next week.

ADAMIRAL KAUTZ

Writes a Letter to His Brother on Samoa Affairs.
Georgetown, Col., May 5.—Frederick Kautz of this city has received a letter from Admiral Kautz, his brother at Samoa. The admiral notes that the Berlin treaty provided that in case of the death of the king of Samoa the chief justice should select his successor. This the chief justice did last August when the king died, selecting his son Meleale. A revolution was started Jan. 1 and "the English and American consuls had to make a compromise and accept a provisional government to stop the war, with Mataafa and 13 chiefs in charge, who were worsted by the German consul general and his adherents."

"I had no idea of doing anything but holding an investigation on what had been done here since Jan. 1, but the German consul general was arrogant and unreasonable, so that I was obliged to do something or suffer disgrace, even in my own estimation.

"I therefore concluded to do what ought to be done, and refer the matter to the government later on."

FEATHERWEIGHTS

Oscar Gardner Gets a Decision Over Tommy Hogan.
Louisville, May 5.—Before a house packed to the doors Oscar Gardner, the renowned "Omaha Kid," received the decision over Tommy Hogan, the crack New York featherweight, last night in a 20-round bout given under the auspices of the Nonpareil Athletic association.

The fighting was terrific from start to finish. Gardner paid attention chiefly to Hogan's stomach and landed blows that would have settled matters quickly with a man less finely trained than the New York lad. Hogan opened up an old wound over Gardner's right eye and the kid went to his corner time and again with the blood pouring from his damaged optic. In the 18th round, Hogan drove his right to Gardner's chin, the bell saving Gardner from a knock-out. The decision of the referee was not sanctioned by the majority of the audience, they thinking that the contest should have been declared a draw.

GENERAL LUDLOW

Preparing to House His Troops During the Rainy Season.
Havana, May 5.—Major General Ludlow, who desires to get all the United States troops in the city under roof before the rains begin, has had several places thoroughly fumigated and disinfected, but before moving the troops he has begun a series of consultations with the surgeon general, who has explained, or will do so, all the advantages and disadvantages of the buildings selected. General Ludlow considers the present health record of the troops, of whom only 3 per cent are sick, very remarkable.

SEWERPIPE COMBINE

New York, Pennsylvania, Ohio, Michigan and Indiana Represented.
New York, May 5.—The Times today says: Dos Passos & Mitchell yesterday gave out the details regarding the proposed federal sewerpipe company. It will have a capitalization of \$25,000,000. The transaction will not be completed for several days. Byron Robinson of Akron, O., is likely to be president of the corporation. The scheme will consolidate about 50 concerns in New York, Ohio, Michigan, Pennsylvania and Indiana.

FRIDAY, MAY 5, 1899.

GOOD FOR SEYMOUR.

For several weeks it has been known that the Southern Indiana Railway people were working on a plan to get down town. The options on property in the city taken by representatives of this road have been the subject of much talk and speculation. From the start the people of Seymour have been interested and have manifested a friendly spirit towards the movement for they believed that the plan if carried out would be a decided advantage to the city in many ways.

The firm of Shea & Wood and J. H. Peter, August Cordes and a few others directly connected with the enterprise have given much of their time the past two months to the work that was necessary to be done in order that the plans might be successfully carried out. They have done well and deserve much credit for what they have accomplished. They encountered obstacles, of course, but having the full confidence of the people besides being shrewd business men, they were able to overcome these in time.

The adoption of the ordinance by the council last night was right and makes sure the construction of a branch line of the Southern Indiana through the city and over grounds especially adapted to that purpose. The line could not be more conveniently located for all concerned and little objection is heard.

The passenger and freight depots will be located on St. Louis avenue. The passenger station will be built where the Riehm Hotel now stands and will be a commodious stone structure of modern design. The freight depot will be located on the site of the Newsom House and will be an ornament to that part of the city.

The ground east of Broadway and owned by the Southern Indiana will be occupied by switches and be used as the yards.

It is the purpose of the company also to build a round house and repair shops just northeast of the city on their property where they now have a "Y." They will also make some valuable improvements where their present depot now stands.

Work on these improvements will be begun in a very short time. The property on Cincinnati avenue purchased will be vacated soon and many of the houses located there will be sold and moved to other places. This means the expenditure of a large sum of money here, which will be a big help to business in Seymour.

It is fortunate that the controlling interest of the Southern Indiana fell into the hands of such an enterprising citizen as John R. Walsh, who has confidence in the future of Seymour.

Just what the Big Four has had to do with this deal, if anything at all, about which there has been so much speculation is not known to the public. Whatever of truth or error in the reports about the Big Four being in the deal with the Southern Indiana will be known later on.

ORDINANCE ADOPTED.

SOUTHERN INDIANA WILL BUILD TRACKS AND DEPOTS DOWN TOWN.

City Council Granted the Petition of the Railroad Company and Adopted Ordinance Unanimously.—Other Business Transacted.

The meeting of the city council last night was an eventful one and the business transacted means much to our fair city.

The mayor and all councilmen were present when the clerk called the roll, and of course had previous knowledge of the questions of most importance coming before the council and were ready to give expression to their opinions.

Under the call of standing committees, the first business disposed of was the adoption of a report of the water committee introduced by Price, that a water plug be maintained at the crossing of McDonald and Walnut streets as petitioned for whenever McDonald street be legally opened and graded.

Gibson presented a communication from the school board extending a special invitation to city officers to attend commencement May 18. Invitation accepted on motion of Gibson.

Bartlett reported that the improvement committee had examined bids and awarded contract to Eugene Weathers to put down concrete walk from 9th street to corporation line on west side of Ewing street at 7 14-15 cents a sq. ft. Concurred in.

Bartlett also reported that contract for similar work on Laurel street between Walnut and Carter had been awarded to Eugene Weathers at 104 cents per sq. ft. Concurred in.

Engineer reported concrete work completed by contractors according to contracts. A special committee consisting of Huber, Shepard, Miller, Binder and Brethauer, was appointed to hear objections to work as done if any and report back to council.

CLAIMS.

The claim of H. L. Gieser for 56 40 for planting 188 shade trees under the direction of grade committee was referred to that committee.

L. E. Jennings, indexing ordinance book.....\$10.00
E. G. Weathers, concrete..... 19 98
Jno. Brown, oil..... 10
H. W. Wolter, repairs..... 50
N. M. Carlson, repairs..... 50
St. Comers pay roll..... 88 38

DeGolyer offered a resolution to improve by grading alley through block W and running east through blocks 23 and 24 to corporation line, which was adopted.

DeGolyer also presented a resolution for grading and graveling alley through block W between 2nd street and St. Louis avenue, which was adopted.

An ordinance was introduced by DeGolyer permitting the P. C. C. & St. L. railway company to lay a switch across Laurel street and the alley south, the switch to be on the railroad's right-of-way. Ordinance advanced and adopted.

Shepard handed up a petition of the Southern Indiana railway which reads as follows:

To the Honorable Mayor and Common Council of the City of Seymour, Indiana
The Southern Indiana Railway Company represents that for the purpose of more convenient interchange of freight and passenger business with the other railroads operating in and through the city of Seymour, and to enable it to better handle its business and carry on its operations, and at the same time to afford better facilities and accommodations to its patrons and the public, it has determined to construct, operate and maintain as part of its railroad a connecting and branch line, from its present main line, into and through the city of Seymour, to erect and maintain an additional passenger station and freight depot therein, and to reach such station and depot by said branch line; also to so construct the said branch line that intersecting and connecting tracks may be laid therefrom to the tracks of the B. & O. S-W. R'y Co., the particular point and manner of making such connections and intersections to be hereafter determined, but, if practicable the same will be made in the vicinity of the present location of the passenger station of said B. & O. Company on O. & M. avenue, and in doing so it will cross the tracks of the P. C. C. St. L. Ry Co., at a point south of Second street in said city. That in locating, constructing and operating said branch and connecting line it will be necessary to lay its track upon certain parts of Indianapolis avenue and O. & M. avenue to cross the following named streets to wit:—Seventh, Sixth, Fifth, Fourth, Third, Second streets; also in extending said line from its proposed new passenger station on back to its main track to also cross Ewing Broadway, Vine, Bill, Blish and O'Brien streets. That the annexed map is referred to and made part of this petition as showing the particular location of tracks of said proposed branch line. That on Indianapolis avenue it is proposed to run along the west side and parallel with the present single main track of the P. C. C. St. L. Ry. Co. from a point near Seventh street to a point near O. & M. avenue; and from the place of entering upon Indianapolis avenue until reaching said point of crossing, said branch line as located will run on the west side of that part of what was formerly claimed as the sixty foot right of way of the P. C. C. St. L. Ry. Co., but which was ceded and granted to the city of Seymour in the years 1892 and 1897 by that company and the company will leave at least the standard width between the said single main track of said P. C. C. St. L. Railway Co., and this branch line track and the grade of said branch line will be substantially the same as the grade of said street fixed by the city of Seymour, Indiana.

Wherefore the permission of the City Council to so locate, construct and operate the said branch and connecting line over, upon and across the railroad tracks and streets aforesaid and upon the line aforesaid is respectfully asked and that such rights and such use of said streets be granted by an ordinance of your Honorable body."

After the petition was read a motion was adopted granting the prayer of the petitioners.

The following ordinance was then adopted unanimously:

Be it ordained by the Common Council of the city of Seymour that the use and right to lay down its tracks and occupy in the construction and operation of a branch line of its railway over, upon and across the following streets hereby granted to the Southern Indiana Railway Company, that is to say:

First: Over and upon the west side

Mrs. Pinkham's Advice Saved Mrs. Hayes From an Operation.

[LETTER TO MRS. PINKHAM NO. 64,231]
"DEAR MRS. PINKHAM—Words cannot express my thanks to you for your kind advice to me in regard to my health. I had been running down in health for about seven years. I had doctored with good doctors and taken a great many patent medicines. My trouble began when my first child was born. I had a very hard time and after its birth would have severe flooding spells. "After my second child I had very good health until last winter when I again became pregnant and suffered very much and miscarried. I came very near dying, and the doctor said I must have an operation, which frightened me very much, and concluded to write to you for your advice, and take your medicine. Was troubled with the whites, great pain in back and hips, sometimes when lying down or sitting was unable to get up. Would have such pain in groins could hardly walk. "I can say I have never seen anything so wonderful as Lydia E. Pinkham's Vegetable Compound and Sana-tive Wash. Your remedies have done wonders for me. Hoping that many of my suffering sisters may be led to take your medicine from reading this letter, I remain, sincerely yours, MRS. MARY HAYES, HARDINSBURG, KY."

Letters like the foregoing should convince everyone that Mrs. Pinkham's advice is certain help.

of any and all that part of Indianapolis avenue between Seventh street and O. & M. avenue not now occupied by the single main track of the P. C. C. & St. L. Railway Co., that was granted to the city of Seymour by the terms of agreement entered into on the 29th day of November, 1892 and on the 27th day of August, 1897, and appearing in the records of the city council on page—, provided that there be left the standard width of space between the tracks of said two companies, also the right in so far as the city has power to grant the same, to cross the tracks of the P. C. C. & St. L. Railway Co., at any point between Second street and O. & M. avenue.

Second: Over and along any part of the north side of the O. & M. avenue, east of Indianapolis avenue not now occupied by the B. & O. S-W. Railway Co.

Third: The right in its passage along Indianapolis avenue to cross Seventh, Sixth, Fifth, Fourth, Third and Second streets, and the right also to cross Ewing, Broadway, Vine, Bill, Blish and O'Brien streets with one or more tracks and by the acceptance of the provisions of this ordinance said Southern Indiana Railway Company binds itself to only lay a single main, but no side tracks, on Indianapolis avenue, and to do no switching on said avenue nor allow cars to stand thereon, and that in constructing its tracks it will conform to the grade of the street as now fixed by the city.

Fourth: The Southern Indiana Railway Company agrees to pay any damage that may be chargeable against the city of Seymour because of the existence of the contract to pave O. & M. avenue affected by the construction of said tracks."

Shepard introduced an ordinance for posting names of streets on buildings at northeast and southwest corners of street crossings.

A resolution was adopted that all buildings in the corporate limits of the city be properly numbered and that the street commissioners be instructed to notify property owners which are not now numbered and to have numbers put up within ten days. Adopted.

Shepard introduced the following resolutions for street improvement:

To grade and gravel Second street between Central avenue and Pine street.

To grade and gravel Pine street between Second and Seventh streets.

To grade and gravel Fourth street between Central avenue and Pine street.

To grade and gravel Fifth street between Central avenue and Pine street.

To grade and gravel Lynn street between Second and Fourth.

To grade and gravel alley running north and south through block 14, between Branch and Fourth streets.

All the above resolutions were adopted.

DeGolyer presented a resolution which was adopted for grading and graveling the alley running north and south through block W from St. Louis avenue to Second street.

Binder asked that the grade committee give the street sweepers more specific direction about the sweepings that accumulate from the brick streets. The matter of regulating the city

The Largest Carpet Department

In Southern Indiana. This is saying a good deal, but we can convince anyone of such if you will take the trouble to see our stock. We do not sell from samples, nor do we buy of jobbers or retail houses, but direct from the mills and manufacturers for spot cash, which gives us the inside figures on all kinds of floor coverings.

Low Prices

For reliable makes, new designs and colorings. We can assure you perfect satisfaction, which is all any housekeeper will ask.

Our line of mattings is imported direct from China and Japan through our agent and no other house in this part of the state can show such a large assortment.

Lace Curtains, Portieres and Window Shades. We can boast of having a large stock on hand at astonishing low prices.

Come in and give us a look and you will agree with us to the above broad assertion.

The Gold Mine,

Leaders of Low Priced Reliable Merchandise.

A. STRAUSS & CO.

clock was referred to grade committee.

A tax rebate of \$16.40 asked by the administrator of the Barney Matt estate was referred to finance committee.

The city marshal was instructed to look after rubbish that has been thrown in alleys in the Second ward.

After a few other miscellaneous questions were disposed of council adjourned at 10:10.

Keep in mind that this is the time to put your property in a good sanitary condition. Delay in this matter is dangerous.

The council passed a number of resolutions last night for street improvement, all of which will be found on the second and fourth pages of this issue of the REPUBLICAN.

Those having claims against the city should remember that they must be filed at least five days before allowed by the council. This is the provision of a new law that can not safely be violated.

Air Castles.

Living in the future is living in an air castle. The man who says he will lead a newer and a better life tomorrow, who promises great things for the future and does nothing in the present to make that future possible, is living in an air castle. In his arrogance he is attempting to turn water into wine, to have an end without a beginning.

If we would make our lives grand and noble, solid and impregnable, we must forsake air castles of dreaming for strongholds of doing. Let us think little of the future except to determine our course and to prepare for that future by making each separate day the best and truest that we can. Let us live up to the fullness of our possibility each day. Man has only one day of life—today. He did live yesterday, he may live tomorrow, but he has—only today.—Saturday Evening Post.

He Supports the Proposition.

Mrs. Blickens—The president of our club is going to lecture next Tuesday evening on "Conversation as a Lost Art."

Mr. Blickens (yawning)—That so? Mrs. Blickens—Well, why don't you go on and make some sarcastic comment about the impossibility of conversation being a lost art while women remain on earth? Of course that is what you think.

Mr. Blickens—No; I agree with your president. Conversation is a lost art. When only one side can be heard, it is merely talk.—Chicago News.

NOTICE TO CONTRACTORS.

Notice is hereby given that the common council of the city of Seymour, Indiana, at a regular meeting to be held on June the 1st, 1899, will receive sealed proposals for the grading and graveling of

Second street between Central avenue and Pine street

In accordance with profile and specifications prepared by and now on file in the office of the city civil engineer, and the costs and expenses thereof will be assessed against the abutting property on said improvements, in accordance with the act of the general assembly of the State of Indiana, approved March 8, 1898, and the amendments thereto. At 8 o'clock p. m., on same date at the council chamber, objections of property holders, if there be any, will be heard as to the necessity of the proposed improvement. All bids must be accompanied by a suitable bond. The council reserving the right to reject any or all bids.

So ordered by the common council.
Attest: LOUIS E. JENNINGS, City Clerk.

BUSINESS NOTES.

Dr. T. S. Galbraith and wife went to Indianapolis today.
L. E. Moore and wife, of Jennings county drove over today.
C. W. Burkart made business trip today to North Vernon.
Mrs. William Kleinmeyer made a business trip today to Brownstown.
Mrs. Willie D. Todd and daughter, Josie, of Normans, were here today shopping.
Mrs. Clara Suiwell and Miss Minnie Johnson, of Brownstown, drove up today on business.
J. L. Kruwel, of the Globe Shoe store, decorated business rooms at Crothersville, Thursday.
William Sater and wife and August Groff, of Spraytown, brought wheat here today and sold it to J. H. Hodapp.
Lynn Faulconer went to Cincinnati today on business for the Hub and Spoke factory. His wife accompanied him.
Eugene Groub, W. P. Masters and E. H. Lane came home last night from Louisville where they attended the Derby races.

Try a trimrose ham next.

COURT NOTES.

H. M. Mervin, of Louisville, went to Brownstown to attend court.
The case against John Garvey, of Honeytown, charged with malicious trespass was begun in the circuit court Thursday afternoon.
The court heard arguments in the case of the Capital Paving and Construction company against property owners on south Chestnut street the greater part of yesterday. Arguments were made by John M. Lewis and S. A. Barnes for the plaintiff and O. H. Montgomery for the plaintiff.

Public Library.

The public library which has occupied a room at the high school building until it has outgrown its quarters and it will be moved down town in a few days. The front room upstairs over the REPUBLICAN office has been rented and as soon as it can be fitted up the change in location will be made. This will make the library much more accessible place for the general public and should cause quite an increase in the number of patrons.

DIED.

David H. Lukker, a well known resident of the county, died at his home in Brownstown Thursday night about 1 o'clock. He had been dangerously sick for several days. He was about forty-five years of age, and has held several positions of honor and trust in the county. He had been twice married and leaves a wife and several children.

Birthday Anniversary.

Frank J. Smith, foreman at the round house, was thirty-nine years old yesterday and in the evening a number of his friends met at Mr. and Mrs. Smith's home on south Chestnut street and assisted in royally celebrating the occasion. Refreshments were served.

Butter, eggs, poultry at Hoadley's.

PERSONAL.

Frank White returned today to Greencastle.
Auditor J. D. Durment of Brownstown went to West Baden Thursday.
I. H. Hooper and wife are here from Shelbyville visiting friends and relatives.
Mrs. Dick Spencer and Miss Ella Laraway went to North Vernon to see friends.
H. H. Prince was here last evening on his way home from Brownstown to Crothersville.
Miss Ada Foster and Miss Lillie Johnson of Scottsburg, came here today to visit friends.
Frank Scheron of Roanoke, Va., is visiting John H. Schafstall and family, of White Creek.
Mrs. D. M. Fauber and daughter, Miss Stella, of near Scipio, came here today to visit friends.
Miss Lizzie Hunter, after a nice visit to her sister, Mrs. Clark B. Davis, of Brownstown, returned to Martinsburg today.
Mrs. Maggie Hawn and daughter Miss Sallie went to Brownstown today to visit Mrs. Trowbridge, aunt of the former.

H. M. Horan and wife and D. W. Isinger and wife arrived here from New Albany today to visit friends and relatives.

Relic from Cuba.

While at Havana Dr. M. F. Gerrish secured a valuable relic from the wreck of the battleship Maine. It is a large iron pan which was used on the ill fated vessel. It is quite rusty and has many little sea shells sticking to it. The relic can be seen at the Doctor's office.

Miss Dia C. Reed, dressmaker, is moving this afternoon to the first floor room on the southeast corner of Ewing and Second streets.

Theodore, son of George F. Steinkamp, who has been painting carriages for Albrand & Son for five years, went out this morning to paint depots and other buildings for the B. & O. S. W.

Second Exhibit.

We will have on exhibition tomorrow and during next week—all the latest Novelties in May Millinery.

You are cordially invited,
No. 18 East 2nd st. KATE SLACK.

Country hams and lard, Hoadley's.

"A word to the wise is sufficient" and a word from the wise should be sufficient, but you ask, who are the wise? Those who know. The oft repeated experience of trustworthy persons may be taken for knowledge. Mr. W. M. Terry says Chamberlain's Cough Remedy gives better satisfaction than any other in the market. He has been in the drug business at Elkton, Ky., for twelve years; has sold hundreds of bottles of this remedy and nearly all other cough medicines manufactured, which shows conclusively that Chamberlain's is the most satisfactory to the people, and is the best. For sale by C. W. Milhous.

The Sun

May shine brightly and the birds may sing their sweetest songs but if your stomach is not right there is no happiness for you. Keep a bottle of Dr. Caldwell's Syrup Pepsin in the house and use it according to directions and the sun and birds will not shine and sing in vain. Constipation and indigestion cured. Trial size 10c (10 doses) and in 50c and \$1.00 bottles. Of A. J. Pellens, druggist.

Whooping Cough.

I had a little boy who was nearly dead from an attack of whooping cough. My neighbors recommended Chamberlain's Cough Remedy. I did not think that any medicine would help him, but after giving him a few doses of that remedy I noticed an improvement, and one bottle cured him entirely. It is the best cough medicine I ever had in the house.—J. L. MOORE, South Burgettstown, Pa. For sale by C. W. Milhous.

Coughed 25 Years.

I suffered for 25 years with a cough and spent hundreds of dollars with doctors and for medicine to no avail until used Dr. Bell's Pine-Tar-Honey. The remedy makes weak lungs strong. It has saved my life.
La Grippe is surely contagious. Dr. Miles' Astorative Nerve is a sure preventive.

RAILROAD RUMBLINGS.

G. W. Ormand, of the C. & O., was here today from Covington, Ky.
Manly Wigginton, switchman in the B. & O. yard, is confined to his bed with rheumatism.

Wrecking Master Sam Hodapp went today to Brownstown and Medora to repair broken cars.

An employee of the B. & O. was here last evening doing some work preparatory to putting in large steel rails.

When Nature.

Needs assistance it may be best to render it promptly, but one should remember to use even the most perfect remedies only when needed. The best and most simple and gentle remedy is the Syrup of Figs, manufactured by the California Fig Syrup Co.

The main building of the Band Saw Works was raised today. The other buildings will be raised so soon as the work can be reached.

How's This?

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure, F. J. CHENEY & CO., Toledo, O. We, the undersigned, have known F. J. Cheney for the last 15 years, and believe him perfectly honorable in all business transactions and financially able to carry out any obligations made by their firm.

Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system. Testimonials sent free. Price 75c per bottle. Sold by all druggists. Hall's Family Pills are the best.

Too Well Imitated.

It is no easy matter for a violin maker to rival the famous Stradivarius instruments, but this an American maker did and did so effectually that experts pronounced his violin a genuine Stradivarius.

The successful man was the late George Gemunder, a famous violin maker of New York. His remarkable ability as a preparer of violins was known to many a distinguished player, such as Ole Bull, Remenyi and Wilhelmj. But he made, so runs the story, his greatest success at the Paris exposition of Eiffel tower fame. To that exhibition he sent an imitation Stradivarius, and to test its merits had it placed on exhibition as the genuine article.
A committee of experts carefully examined the instrument and pronounced it a Stradivarius. So far Mr. Gemunder's triumph was complete. But now came a difficulty. When he claimed that it was not an old violin, but a new one made by himself, the committee would not believe him. They declared he never made the instrument and pronounced him an imposter. He had done his work too well.—Youth's Companion.

Man was made to mourn and woman was made to see that he does it.—Chicago Record.

Always.

It has long been our custom and will continue our custom as long as we remain in business to handle only drugs and chemicals which we absolutely know to be of superior strength and purity.

No Doctor can obtain the desired results in the sick room unless his prescriptions are filled as he intended them to be, i. e., with drugs of the highest quality. The sick room is the one place above all others where quality counts above everything else. If you want the patient to improve; to respond to the physician's labors, you must be particular with the medicine. You must have his prescription filled with nothing but pure and fresh drugs and chemicals. We cordially invite your patronage and assure prompt attention and courteous treatment.

CEASED TEMPORIZING

General Otis Has Again Com-
menced Aggressive
Tactics.

HIS COURSE IS APPROVED

By the War Department Officials in
Washington, Who Believe the Phi-
lipino Insurgents Need Further Chas-
tisement to Bring Them to a Realiza-
tion of Their Position.

Washington, May 5.—The war de-
partment is satisfied from the dispatches
received from General Otis that the
American commander has put aside the
insurgent temporizing over peace and
has turned his attention to most aggres-
sive tactics. The wisdom of this course
was fully approved by officials here,
who have foreseen that the rebels
needed further chastisement in order to
bring them to a realizing sense of their
position. The early dispatches from
General Otis clearly defined the general
plan of his latest movements.

He is moving in two main columns
Major General MacArthur pushing
straight forward over a 9-mile stretch of
country between Calumpit and the latest
rebel stronghold, San Fernando, and
Major General Lawton directing a
strong force under Colonel Sumner to
prevent the insurgents from retreating
from San Fernando into the mountains
on the north.

The dispatches showed there had been
hot work in the execution of this move-
ment, particularly in General MacAr-
thur's advance on San Fernando. The
defeat of Luna at San Tomas and the
scattering of the insurgent forces, leaves
MacArthur four miles from San Fer-
nando with a clear road before him.
He will take the city today, according
to General Otis' plans.

General Lawton's movement north-
ward yesterday to Maasin is designed to
keep a body of American troops to the
north of the rebels and between them
and their line of retreat to the moun-
tains. A successful execution of this
move will leave the insurgents well sur-
rounded on the north, though there is a
stretch of about seven miles from
Maasin to the Rio Grande river, along
which the rebels are retreating. If the
rebels do succeed in getting into the
mountains war department officials be-
lieve they cannot continue organized re-
sistance, as the mountain localities af-
ford much less opportunities for sus-
tenance than the rice lands along the
foothills and bottoms. The authorities
here are well satisfied with the manner
in which our forces are placed.

VIGOROUSLY RESISTED

Was General MacArthur's Advance
on San Fernando.
Mañila, May 5.—In spite of the peace-
ful overtures of their commissioners,
the Filipinos vigorously resisted the
advance of General MacArthur's division
from Apalit toward San Fernando, fight-
ing desperately at long range, after run-
ning from trench to trench when driven
out by the American artillery.

The movement commenced at 5:30 in
the morning. General Hale's brigade,
consisting of five battalions, under com-
mand of Major Young of the Sixth ar-
tillery, two battalions of the Fifty-first
Iowa regiment, the First Nebraska regi-
ment and the First Dakota regiment,
advanced along the road a few miles
west of the railroad line.

General Wheaton with Hotchkiss
and Gatling guns under the command of
Lieutenant Naylor of the Utah light ar-
tillery, mounted on handcars, pushed
ahead, the Twentieth Kansas and First
Montana regiments deploying to the
right and left when feasible.

Although the attacking force poured
a very heavy artillery and musketry fire
across the river, the enemy stubbornly

resisted for over an hour, ultimately
breaking when Major Young shelled
their left flank, and then retreating
along the river bank under cover.

General Wheaton, in the meantime,
tried ineffectually to draw the fire of the
Filipinos in the trenches east of the
track.

So soon as they discovered that the
nature of the country would permit only
a few skirmishes on each side of the
embankment the rebels regained their
courage and fought desperately for
three-quarters of an hour, in the face of
the American volleys and a rapid fire
fusillade, until flanked by the Minnesota
regiment. Then a general scramble en-
sued, most of the enemy boarding trains
that were in readiness and the others
taking the road to San Fernando, after
burning the villages of San Tomas and
Minallin.

About noon General Wheaton crossed
over a broken bridge, cleared the strag-
glers out of the village and advanced
toward San Fernando. General Hale
effected a crossing simultaneously.

Our loss was two members of the Ne-
braska regiment and one of the Mont-
ana killed, and Captain Albrecht, three
members of the Kansas regiment, two
of the Montana, four of the Nebraska
and one of the South Dakota wounded.
The enemy's loss was very slight.

After a short rest the advance was
continued, General Wheaton encounter-
ing the first series of entrenchments
near San Fernando. The rebels now
opened a hot fire.

Colonel Funston of the Twentieth
Kansas was wounded; one lieutenant
was killed and four were wounded
while leading four companies of the
Kansas regiment to outflank the enemy.
More than 100 sick and wounded men
from General Lawton's brigade were
brought to Manila from Malolos by last
night's train. The heat is unbearable.

President McKinley Suffering Slightly
From Rheumatism.
Washington, May 5.—President Mc-
Kinley has decided to leave the city
next Monday and to remain away for
two, and possibly three, weeks. Ac-
cording to his present intention, the
president will spend his vacation at Hot
Springs, Va. He is suffering from a
slight attack of rheumatism and is also
feeling the strain which has been upon
him for many months. He is anxious
to enjoy perfect rest and at the same
time to avail himself of hot baths, which
will remove the rheumatic tendency.

The arrangements for the president's
visit have not yet been fully concluded,
but it is likely that a special train will
be provided for Mr. and Mrs. McKinley
and will leave here at 10 o'clock Monday
morning, reaching the springs at 5
o'clock in the afternoon. The president
and his wife will be domiciled at the
Homestead hotel, as none of the cottages
are yet ready for occupancy. The hot
springs are only eight hours' railroad
ride from Washington, so that the
president could return at once to the
capital if any occasion arises for his
presence here.

WILL MONNETT TELL

Standard Oil Company Files
a Motion In Reference to
Bribery Charges.

THE OHIO SUPREME COURT

Asked to Compel the Attorney Gen-
eral to Give the Names of Individ-
uals Who Attempted to Bribe Him.
Complaint Says That There Is No
Foundation For The Charges.

Columbus, O., May 5.—Hon. Virgil
P. Kline and M. F. Elliott, as attorneys
for the Standard Oil company, filed in
the supreme court last evening a motion
to compel Attorney General Monnett to
make more specific the statement re-
cently filed by him alleging that he had
been approached by persons offering
bribes if he would dismiss the suits
against the Standard Oil company. The
motion asks the court to require the
names of all persons who are alleged to
have been connected with the attempt-
ed bribery, not only of Mr. Monnett, but
also of former Attorney General D. K.
Watson to be given.

It is further asked: That a commis-
sioner be appointed to take all legal tes-
timony which bears upon the truth or
falsity of the charges contained in the
attorney general's statement to the su-
preme court, and that a disinterested
attorney be appointed to conduct the ex-
amination upon the part of the court.

In support of the requests contained
in the motion, the attorneys for defend-
ant make the following statements upon
information and belief, "that all the
facts set forth in said papers, so far as
they connect the defendant with any at-
tempt to bribery or undue influence, are
false; that, while Attorney General
Monnett may have had conversations
with some person unconnected with
and unknown to the defendant, nothing
therein occurred which gave the
attorney general any reason to be-
lieve that the defendant had any
knowledge of or connection with the
matter; that the attorney general has
filled the newspapers with false and
libelous reports of attempts at bribery
on the part of the defendant, well know-
ing there was no foundation for the
same; that, until the attorney general
gives the name of his friend, defendant
cannot prepare to meet these charges,
and by reason of these facts alleged it is
evident that both F. S. Monnett and S.
W. Bennett, must be witnesses in the
case; that the attorney general is not
disinterested and can only acquit him-
self of false and libelous statements and
free himself from suspicion by proving
defendant guilty of the charges he has
preferred. Wherefore it is highly im-
proper and unjust that he, as repre-
sentative of the court, should conduct
the investigation."

Miss Julia Dent Grant to Marry a
Russian Nobleman.
Paris, May 5.—Mrs. Potter Palmer of
Chicago gave a brilliant reception last
evening at the Hotel Ritz in honor of
the mother of Prince Michel Cantacuz-
ene of the Russian imperial guard, at
which formal announcement was made
of the betrothal to the prince of Miss
Julia Dent Grant, daughter of Brigadier
General Frederick Dent Grant, U. S. A.

The company included General Hor-
ace Porter, the United States ambas-
sador, and Mrs. Porter; Ferdinand W.
Peck, United States commissioner gen-
eral to the Paris exposition of 1900, and
Mrs. Peck, as well as other prominent
members of the American colony in
Paris.

From the remarks made by the gov-
ernor, wife murderers, wife beaters and
those who cruelly treat children and
dumb animals will receive no mercy at
his hands upon applications for pardons
or commutations of sentences. The
governor is a strong advocate of the es-
tablishment of a whipping-post for such
cases, and says if such a bill is intro-
duced in the legislature next year he
will sign it.

Spain Wants Indemnity From China.
Hong-Kong, May 5.—Spain is collect-
ing evidence here with a view of claim-
ing a cession of land in China as in-
demnity for the Chinese government
for permitting the steamer Abbey to
leave Canton last August with arms for
the Philippines.

Vice President Hobart.
New York, May 5.—Vice President
Hobart has leased Normanhurst, Mrs.
Norman L. Munro's residence at Nor-
wood park, Long Branch, for the sea-
son. The vice president will take im-
mediate possession and will entertain
extensively at his summer home.

Jeffries-Fitzsimmons Fight.
Denver, May 5.—Telegrams were re-
ceived last night by Manager Floto of
the Colorado Athletic association from
Brady and Julian, representing Jeffries
and Fitzsimmons, accepting his offer of
a purse of \$25,000 for the fight.

Option on Mining Lands.
Knockville, May 5.—John Weire, a
New York capitalist, has secured a 12
month's option on all the mining lands
in this county. The price agreed upon
is \$190,000 cash.

First Train
In Four Months Entered Dillon Yes-
terday Amid Great Rejoicing.
Denver, May 5.—The first train over
the South Park road into Dillon for four
months ran through solid walls of snow
yesterday and steamed into the town
amid the blowing of whistles and the
ringing of bells. The snow blockade
had been broken. Work is now pro-
gressing toward Leadville, and the en-
tire South Park line from Denver to the
big camp will be opened, it is said at
the general superintendent's office, early
next week.

ALMANAC

HYDROPHOBIA

Terrible Condition of a Young Man
Bitten by a Dog Years Ago.
Kentland, Ind., May 5.—A farmhand
named James Carney, 20 years old, liv-
ing near here, has been brought to this
city and confined. He is suffering from
a pronounced case of hydrophobia, being
almost constantly in convulsions. While
being brought to this city he made sev-
eral attempts to bite his attendants. His
condition is horrible. Carney was bit-
ten by a dog eight years ago, but no
symptoms of the malady were shown
before the present attack, which came
suddenly.

Had an Apoplectic Stroke.
Covington, Ind., May 5.—Mrs. Ollie
Davison, wife of Captain Edward Davi-
son of the old Sixty-third Indiana regi-
ment of volunteer infantry, was stricken
with apoplexy. It is not thought she
can recover.

HAS DISAPPEARED

Jo Triborn of Great Falls, Mont.,
Missing in New York.
New York, May 5.—Mrs. Yetta Tri-
born of Great Falls, Mont., yesterday
asked the police here to send out a gen-
eral alarm with a view to learning the
whereabouts of her husband, Jo Triborn,
manager of the Montana Brewing com-
pany at Great Falls, who mysteriously
disappeared last Sunday from the Grand
hotel in this city, where he had arrived
on that day to meet his wife, who was
returning from Europe. On his arrival
at the hotel Mr. Triborn deposited a
large sum of money in the safe, where
it now remains. His wife arrived here
on Tuesday and spent the night after
landing from an ocean liner in a hotel
in Hoboken, coming to this city Wednes-
day to join her husband at the Grand
hotel. On arriving there Mrs. Triborn
learned that her husband had not been
seen since Sunday. It is known that,
apart from the money deposited, he had
considerable money with him at the
time of his disappearance.

MAYOR JONES

Will Be a Candidate For Governor of
Ohio—Delegate Ballot Filed.
Toledo, O., May 5.—Late yesterday
Reynold Voit, Mayor Jones' private
secretary, filed with the board of elec-
tions a specimen ballot to be used at the
Republican primary and on it is a list
of 24 delegates to be voted for to repre-
sent Lucas county at the coming state
convention. The specimen ballot is
headed "Jones for governor," and a
picture of the mayor is also at the head
of the ticket.

Mayor Jones said last night that he
knew of the ticket and knew that an ef-
fort was being made to nominate him
and that he knew of the list of dele-
gates, but his position on the seeking of
the nomination was the same as it had
been. He will be a candidate providing
the people want him. The only other
list of delegates filed was one pledged to
stand by the administration of Presi-
dent McKinley and unpledged as to the
nominee for governor.

IMPORTANT REFORMS

In International Law to Be Made in
Europe Next Week.
Paris, May 5.—Within the next few
days a series of important reforms in
connection with international law will
come into operation on the continent of
Europe. In 1894 a congress of interna-
tional law took place at The Hague, at
which all the continental countries of
Europe were officially represented, Great
Britain and the United States, however,
being conspicuous by their absence. As
the result of this conference an interna-
tional convention was signed Nov. 14,
1896, ordaining that as soon as the var-
ious nations participating in the congress
had respectively ratified the convention
a number of important legal reforms
would come into operation. Chief
among these reforms is the agreement
that henceforth a foreigner can plead
and have recourse to the courts of con-
tinental Europe without being com-
pelled, as hitherto, to deposit in advance
a large sum of money by way of guar-
antee of the costs.

The obligation of making this heavy
deposit has in most instances prevented
foreigners from appealing for justice to
the tribunals of the countries in which
they happen to be, or to which the indi-
vidual against whom they had cause for
action belonged. The various signatory
governments undertake to furnish legal
redress and assistance free of cost to in-
digent foreigners, in the same manner
as to people of their own nationality
pleading informal papers. These ratifica-
tions have been exchanged within
the last fortnight and all the innova-
tions come into force in the various
countries that participated in the con-
gress next week.

ADAMANT KAUTZ

Writes a Letter to His Brother on
Samoan Affairs.
Georgetown, Col., May 5.—Frederick
Kantz of this city has received a letter
from Admiral Kautz, his brother at Sa-
moa. The admiral notes that the Ber-
lin treaty provided that in case of the
death of the king of Samoa the chief
justice should select his successor. This
the chief justice did last August when
the king died, selecting his son Melete.
A revolution was started Jan. 1 and
"the English and American consuls had
to make a compromise and accept a pro-
visional government to stop the war,
with Mataafa and 13 chiefs in charge,
who were worsted by the German con-
sul general and his adherents."

"I had no idea of doing anything but
holding an investigation on what had
been done here since Jan. 1, but the
German consul general was arrogant
and unreasonable, so that I was obliged
to do something or suffer disgrace, even
in my own estimation.
"I therefore concluded to do what
ought to be done, and refer the matter
to the government later on."

BRIEF MENTION

Fire at Morgantown, W. Va., destroyed
20,000 barrels of oil.
Authorities believe they have succeeded
in stamping out the smallpox at Presidio,
Cal.
The business portion of Moody, Tex.,
was destroyed by fire, causing a loss of
\$25,000.

General Force, commandant of the Ohio
Soldiers' home at Sandusky, O., is criti-
cally ill.
Connecticut legislature has defeated the
bill providing for woman suffrage by a
vote of 103 to 63.

Bike manufacturers are holding a con-
ference in New York, perfecting the plans
for the bicycle trust.
The next general conference of the
Methodist Episcopal church, South, will
be held at Dallas in May.

General Charles P. Eagan, ex-commis-
sary general U. S. A., and family have
sailed from San Francisco for Honolulu.
The Empire Iron and Steel company of
Philadelphia has been incorporated under
the New Jersey law. Capital stock, \$5-
000,000.

FEATHERWEIGHTS

Oscar Gardner Gets a Decision Over
Tommy Hogan.
Louisville, May 5.—Before a house
packed to the doors Oscar Gardner, the
renowned "Omaha Kid," received the
decision over Tommy Hogan, the crack
New York featherweight, last night in
a 20-round bout given under the auspices
of the Nonpartisan Athletic association.
The fighting was terrific from start to
finish. Gardner paid attention chiefly
to Hogan's stomach and landed blows
that would have settled matters quickly
with a man less finely trained than the
New York lad. Hogan opened up an
old wound over Gardner's right eye and
the kid went to his corner time and
again with the blood pouring from his
damaged optic. In the 15th round,
Hogan drove his right to Gardner's chin,
the bell saving Gardner from a knock-
out. The decision of the referee was
not sanctioned by the majority of the
audience, they thinking that the con-
test should have been declared a draw.

GENERAL LUDLOW

Preparing to House His Troops Dur-
ing the Rainy Season.
Havana, May 5.—Major General Lud-
low, who desires to get all the United
States troops in the city under roof be-
fore the rains begin, has had several
places thoroughly fumigated and disin-
fected, but before moving the troops he
has begun a series of consultations with
the surgeon general, who has explained,
or will do so, all the advantages and
disadvantages of the buildings selected.
General Ludlow considers the present
health record of the troops, of whom
only 3 per cent are sick, very remarkable.

SEWERPIPE COMBINE

New York, Pennsylvania, Ohio, Mich-
igan and Indiana Represented.
New York, May 5.—The Times today
gave out the details regarding the pro-
posed federal sewerpipe company. It
will have a capitalization of \$25,000,000.
The transaction will not be completed
for several days. Byron Robinson of
Akron, O., is likely to be president of
the corporation. The scheme will con-
solidate about 50 concerns in New York,
Ohio, Michigan, Pennsylvania and In-
diana.

An Excellent Combination.

The pleasant method and beneficial
effects of the well known remedy,
SYRUP OF FIGS, manufactured by the
CALIFORNIA FIG SYRUP CO., illustrate
the value of obtaining the liquid laxa-
tive principles of plants known to be
medicinally laxative and presenting
them in the form most refreshing to the
taste and acceptable to the system. It
is the one perfect strengthening laxa-
tive, cleansing the system effectually,
dispelling colds, headaches and fevers,
gently yet promptly and enabling one
to overcome habitual constipation per-
manently. Its perfect freedom from
every objectionable quality and sub-
stance, and its acting on the kidneys,
liver and bowels, without weakening
or irritating them, make it the ideal
laxative.

In the process of manufacturing figs
are used, as they are pleasant to the
taste, but the medicinal qualities of the
remedy are obtained from senna and
other aromatic plants, by a method
known to the CALIFORNIA FIG SYRUP
CO. only. In order to get its beneficia-
l effects and to avoid imitations, please
remember the full name of the Company
printed on the front of every package.

GOOD FOR SEYMOUR.

For several weeks it has been known that the Southern Indiana Railway people were working on a plan to get down town. The options on property in the city taken by representatives of this road have been the subject of much talk and speculation. From the start the people of Seymour have been interested and have manifested a friendly spirit towards the movement for they believed that the plan if carried out would be a decided advantage to the city in many ways.

The firm of Shea & Wood and J. H. Peter, August Cordes and a few others directly connected with the enterprise have given much of their time the past two months to the work that was necessary to be done in order that the plans might be successfully carried out. They have done well and deserve much credit for what they have accomplished. They encountered obstacles, of course, but having the full confidence of the people besides being shrewd business men, they were able to overcome these in time.

The adoption of the ordinance by the council last night was right and makes sure the construction of a branch line of the Southern Indiana through the city and over grounds especially adapted to that purpose. The line could not be more conveniently located for all concerned and little objection is heard.

The passenger and freight depots will be located on St. Louis avenue. The passenger station will be built where the Riehm Hotel now stands and will be a commodious stone structure of modern design. The freight depot will be located on the site of the Newsom House and will be an ornament to that part of the city.

The ground east of Broadway and owned by the Southern Indiana will be occupied by switches and be used as the yards.

It is the purpose of the company also to build a round house and repair shops just northeast of the city on their property where they now have a "Y." They will also make some valuable improvements where their present depot now stands.

Work on these improvements will be begun in a very short time. The property on Cincinnati avenue purchased will be vacated soon and many of the houses located there will be sold and moved to other places. This means the expenditure of a large sum of money here, which will be a big help to business in Seymour.

It is fortunate that the controlling interest of the Southern Indiana fell into the hands of such an enterprising citizen as John R. Walsh, who has confidence in the future of Seymour.

Just what the Big Four has had to do with this deal, if anything at all, about which there has been so much speculation is not known to the public. Whatever of truth or error in the reports about the Big Four being in the deal with the Southern Indiana will be known later on.

ORDINANCE ADOPTED.

SOUTHERN INDIANA WILL BUILD TRACKS AND DEPOTS DOWN TOWN.

City Council Granted the Petition of the Railroad Company and Adopted Ordinance Unanimously.—Other Business Transacted.

The meeting of the city council last night was an eventful one and the business transacted means much to our fair city.

The mayor and all councilmen were present when the clerk called the roll, and of course had previous knowledge of the questions of most importance coming before the council and were ready to give expression to their opinions.

Under the call of standing committees, the first business disposed of was the adoption of a report of the water committee introduced by Price, to a water plug be maintained at the crossing of McDonald and Walnut streets as petitioned for whenever McDonald street be legally opened and graded.

Gibson presented a communication from the school board extending a special invitation to city officers to attend commencement May 18. Invitation accepted on motion of Gibson.

Bartlett reported that the improvement committee had examined bids and awarded contract to Eugene Weathers to put down concrete walk from 9th street to corporation line on west side of Ewing street at 7 14-15 cents per sq. ft. Concurred in.

Bartlett also reported that contract for similar work on Laurel street between Walnut and Carter had been awarded to Eugene Weathers at 10 1/2 cents per sq. ft. Concurred in.

Engineer reported concrete work completed by contractors according to contracts. A special committee consisting of Huber, Shepard, Miller, Binder and Brethauer, was appointed to hear objections to work as done if any and report back to council.

CLAIMS.
The claim of H. L. Glaser for 56 40 for planting 188 shade trees under the direction of grade committee was referred to that committee.

E. G. Weathers, concrete..... 19 98
Jno. Brown, oil..... 10
H. W. Wolter, repairs..... 50
N. M. Carlson, repairs..... 50
St. Comers, pay roll..... 88 38

DeGolyer offered a resolution to improve by grading alley through block W and running east through blocks 23 and 24 to corporation line, which was adopted.

DeGolyer also presented a resolution for grading and graveling alley through block W between 2nd street and St. Louis avenue, which was adopted.

An ordinance was introduced by D. Golyer permitting the P. C. & St. L. railway company to lay a switch across Laurel street and the alley south, the switch to be on the railroad's right-of-way. Ordinance advanced and adopted.

Shepard handed up a petition of the Southern Indiana railway which reads as follows:

To the Honorable Mayor and Common Council of the City of Seymour, Indiana
The Southern Indiana Railway Company represents that for the purpose of more convenient interchange of freight and passenger business with the other railroads operating in and through the city of Seymour, and to enable it to better handle its business and carry on its operations, and at the same time to afford better facilities and accommodations to its patrons and the public, it has determined to construct, operate and maintain as part of its railroad a connecting and branch line, from its present main line, into and through the city of Seymour, to erect and maintain an additional passenger station and freight depot therein, and to reach such station and depot by said branch line; also to so construct the said branch line that intersecting and connecting tracks may be laid therefrom to the tracks of the B. & O. S-W. Ry Co., the particular point and manner of making such connections and intersections to be hereafter determined, but, if practicable the same will be made in the vicinity of the present location of the passenger station of said B. & O. Company on O. & M. avenue, and in doing so it will cross the tracks of the P. C. C. St. L. Ry Co., at a point south of Second street in said city. That in locating, constructing and operating said branch and connecting line it will be necessary to lay its track upon certain parts of Indianapolis avenue and O. & M. avenue to cross the following named streets to wit:—Seventh, Sixth, Fifth, Fourth, Third, Second streets; also in extending said line from its proposed new passenger station on back to its main track to also cross Ewing Broadway, Vine, Bill, Blish and O'Brien streets. That the annexed map is referred to and made part of this petition as showing the particular location of tracks of said proposed branch line. That on Indianapolis avenue it is proposed to run along the west side and parallel with the present single main track of the P. C. C. St. L. Ry. Co. from a point near Seventh street to a point near O. & M. avenue; and from the place of entering upon Indianapolis avenue until reaching said point of crossing, said branch line as located will run on the west side of that part of what was formerly claimed as the sixty foot right of way of the P. C. C. St. L. Ry. Co., but which was ceded and granted to the city of Seymour in the years 1892 and 1897 by the company and the company will leave at least the standard width between the said single main track of said P. C. C. St. L. Railway Co., and this branch line track and the grade of said branch line will be substantially the same as the grade of said street fixed by the city of Seymour, Indiana.

Wherefore the permission of the City Council to so locate, construct and operate the said branch and connecting line over, upon and across the railroad tracks and streets aforesaid and upon the line aforesaid is respectfully asked and that such rights and such use of said streets be granted by an ordinance of your Honorable body."

After the petition was read a motion was adopted granting the prayer of the petitioners.

The following ordinance was then adopted unanimously:

Be it ordained by the Common Council of the city of Seymour that the use and right to lay down its tracks and occupy in the construction and operation of a branch line of its railway over, upon and across the following streets hereafter granted to the Southern Indiana Railway Company, that is to say:

First: Over and upon the west side

Mrs. Pinkham's Advice Saved Mrs. Hayes From an Operation.

[LETTER TO MRS. PINKHAM NO. 64283]
"DEAR MRS. PINKHAM—Words cannot express my thanks to you for your kind advice to me in regard to my health. I had been running down in health for about seven years. I had doctored with good doctors and taken a great many patent medicines. My trouble began when my first child was born. I had a very hard time and after its birth would have severe flooding spells. "After my second child I had very good health until last winter when I again became pregnant and suffered very much and miscarried. I came very near dying, and the doctor said I must have an operation, which frightened me very much, and concluded to write to you for your advice, and take your medicine. Was troubled with the whites, great pain in back and hips, sometimes when lying down or sitting was unable to get up. Would have such pain in groins could hardly walk. "I can say I have never seen anything so wonderful as Lydia E. Pinkham's Vegetable Compound and Sanative Wash. Your remedies have done wonders for me. Hoping that many of my suffering sisters may be led to take your medicine from reading this letter, I remain, sincerely yours, MRS. MARY HAYES, HARDINSBURG, KY."

Letters like the foregoing should convince everyone that Mrs. Pinkham's advice is certain help.

of any and all that part of Indianapolis avenue between Seventh street and O. & M. avenue not now occupied by the single main track of the P. C. C. & St. L. Railway Co., that was granted to the city of Seymour by the terms of agreement entered into on the 29th day of November, 1892 and on the 27th day of August, 1897, and appearing in the records of the city council on page—, provided that there be left the standard width of space between the tracks of said two companies, also the right in so far as the city has power to grant the same, to cross the tracks of the P. C. C. & St. L. Railway Co., at any point between Second street and O. & M. avenue.

Second: Over and along any part of the north side of the O. & M. avenue, east of Indianapolis avenue not now occupied by the B. & O. S-W. Railway Co.

Third: The right in its passage along Indianapolis avenue to cross Seventh, Sixth, Fifth, Fourth, Third and Second streets, and the right also to cross Ewing, Broadway, Vine, Bill, Blish and O'Brien streets with one or more tracks and by the acceptance of the provisions of this ordinance said Southern Indiana Railway Company binds itself to only lay a single main, but no side tracks, on Indianapolis avenue, and to do no switching on said avenue nor allow cars to stand thereon, and that in constructing its tracks it will conform to the grade of Second street as now fixed by the city.

Fourth: The Southern Indiana Railway Company agrees to pay any damage that may be chargeable against the city of Seymour because of the existence of the contract to pave O. & M. avenue affected by the construction of said tracks."

Shepard introduced an ordinance for posting names of streets on buildings at northeast and southwest corners of street crossings.

A resolution was adopted that all buildings in the corporate limits of the city be properly numbered and that the street commissioners be instructed to notify property owners which are not now numbered and to have numbers put up within ten days. Adopted.

Shepard introduced the following resolutions for street improvement:

To grade and gravel Second street between Central avenue and Pine street.

To grade and gravel Pine street between Second and Seventh streets.

To grade and gravel Fourth street between Central avenue and Pine street.

To grade and gravel Fifth street between Central avenue and Pine street.

To grade and gravel Lynn street between Second and Fourth.

To grade and gravel alley running north and south through block 14, between Branch and Fourth streets.

All the above resolutions were adopted.

DeGolyer presented a resolution which was adopted for grading and graveling the alley running north and south through block W from St. Louis avenue to Second street.

Binder asked that the grade committee give the street sweepers more specific direction about the sweepings that accumulate from the brick streets. The matter of regulating the city

The Largest Carpet Department

In Southern Indiana. This is saying a good deal, but we can convince anyone of such if you will take the trouble to see our stock. We do not sell from samples, nor do we buy of jobbers or retail houses, but direct from the mills and manufacturers for spot cash, which gives us the inside figures on all kinds of floor coverings.

Low Prices

For reliable makes, new designs and colorings. We can assure you perfect satisfaction, which is all any housekeeper will ask.

Our line of mattings is imported direct from China and Japan through our agent and no other house in this part of the state can show such a large assortment.

Lace Curtains, Portieres and Window Shades. We can boast of having a large stock on hand at astonishing low prices.

Come in and give us a look and you will agree with us to the above broad assertion.

The Gold Mine,

Leaders of Low Priced Reliable Merchandise.

A. STRAUSS & CO.

clock was referred to grade committee.

A tax rebate of \$16 40 asked by the administrator of the Barney Matt estate was referred to finance committee.

The city marshal was instructed to look after rubbish that has been thrown in alleys in the Second ward.

After a few other miscellaneous questions were disposed of council adjourned at 10:10.

Keep in mind that this is the time to put your property in a good sanitary condition. Delay in this matter is dangerous.

The council passed a number of resolutions last night for street improvement, all of which will be found on the second and fourth pages of this issue of the REPUBLICAN.

Those having claims against the city should remember that they must be filed at least five days before allowed by the council. This is the provision of a new law that can not safely be violated.

Air Castles.

Living in the future is living in an air castle. The man who says he will lead a newer and a better life tomorrow, who promises great things for the future and does nothing in the present to make that future possible, is living in an air castle. In his arrogance he is attempting to turn water into wine, to have an end without a beginning.

If we would make our lives grand and noble, solid and impregnable, we must forsake air castles of dreaming for strongholds of doing. Let us think little of the future except to determine our course and to prepare for that future by making each separate day the best and truest that we can. Let us live up to the fullness of our possibility each day. Man has only one day of life—today. He did live yesterday, he may live tomorrow, but he has—only today. —Saturday Evening Post.

He Supports the Proposition.
Mrs. Blickens—The president of our club is going to lecture next Tuesday evening on "Conversation as a Lost Art."

Mr. Blickens (yawning)—That so? Mrs. Blickens—Well, you don't you go on and make some sarcastic comment about the impossibility of conversation being a lost art while women remain on earth? Of course that is what you think.

Mr. Blickens—No; I agree with your president. Conversation is a lost art. When only one side can be heard, it is merely talk.—Chicago News.

NOTICE TO CONTRACTORS.

Notice is hereby given that the common council of the city of Seymour, Indiana, at a regular meeting to be held on June the 1st, 1899, will receive sealed proposals for the grading and graveling of

Second street between Central avenue and Pine street.

In accordance with profile and specifications prepared by and now on file in the office of the city civil engineer, and the costs and expenses thereof will be assessed against the abutting property on said improvements, in accordance with the act of the general assembly of the State of Indiana, approved March 8, 1898, and the amendments thereto. At 8 o'clock p. m. on same date at the council chamber, objections of property holders, if there be any, will be heard as to the necessity of the proposed improvement. All bids must be accompanied by a suitable bond. The council reserving the right to reject any or all bids.

So ordered by the common council.

Attest: LOUIS E. JENNINGS, City Clerk.

BUSINESS NOTES.

Dr. T. S. Galbraith and wife went to Indianapolis today.

L. E. Moore and wife, of Jennings county drove over today.

C. W. Burkart made made business trip today to North Vernon.

Mrs. William Kleinmeyer made a business trip today to Brownstown.

Mrs. Willie D. Todd and daughter, Josie, of Normans, were here today shopping.

Mrs. Clara Stilwell and Miss Minnie Johnson, of Brownstown, drove up today on business.

J. L. Kruwel, of the Globe Shoe store, decorated business rooms at Crothersville, Thursday.

William Sater and wife and August Groff, of Spraytown, brought wheat here today and sold it to J. H. Hodapp.

Lynn Faulkner went to Cincinnati today on business for the Hub and Spoke factory. His wife accompanied him.

Eugene Groub, W. P. Masters and E. H. Lane came home last night from Louisville where they attended the Derby races.

Try a trimrose ham next.

COURT NOTES.

H. M. Mervin, of Louisville, went to Brownstown to attend court.

The case against John Garvey, of Honeytown, charged with malicious trespass was begun in the circuit court Thursday afternoon.

The court heard arguments in the case of the Capital Paving and Construction company against property owners on south Chestnut street the greater part of yesterday. Arguments were made by John M. Lewis and S. A. Barnes for the plaintiff and O. H. Montgomery for the plaintiff.

Public Library.

The public library which has occupied a room at the high school building until it has outgrown its quarters and it will be moved down town in a few days. The front room upstairs over the REPUBLICAN office has been rented and as soon as it can be fitted up the change in location will be made. This will make the library much more accessible place for the general public and should cause quite an increase in the number of patrons.

DIED.

David H. Lubker, a well known resident of the county, died at his home in Brownstown Thursday night about 1 o'clock. He had been dangerously sick for several days. He was about forty-five years of age, and has held several positions of honor and trust in the county. He had been twice married and leaves a wife and several children.

Birthday Anniversary.

Frank J. Smith, foreman at the round house, was thirty-nine years old yesterday and in the evening a number of his friends met at Mr. and Mrs. Smith's home on south Chestnut street and assisted in royally celebrating the occasion. Refreshments were served.

Country hams and lard, Hoadley's.

"A word to the wise is sufficient" and a word from the wise should be sufficient, but you ask, who are the wise? Those who know. The oft repeated experience of trustworthy persons may be taken for knowledge Mr. W. M. Terry says Chamberlain's Cough Remedy gives better satisfaction than any other in the market. He has been in the drug business at Elkton, Ky., for twelve years; has sold hundreds of bottles of this remedy and nearly all other cough medicines manufactured, which shows conclusively that Chamberlain's is the most satisfactory to the people, and is the best. For sale by C. W. Milhous.

The Sun

May shine brightly and the birds may sing their sweetest songs but if your stomach is not right there is no happiness for you. Keep a bottle of Dr. Caldwell's Syrup Pepsin in the house and use it according to directions and the sun and birds will not shine and sing in vain. Constipation and indigestion cured. Trial size 10c (10 doses) and in 50c and \$1.00 bottles. Ot A. J. Pellens, druggist.

Whooping Cough.

I had a little boy who was nearly dead from an attack of whooping cough. My neighbors recommended Chamberlain's Cough Remedy I did not think that any medicine would help him, but after giving him a few doses of that remedy I noticed an improvement, and one bottle cured him entirely. It is the best cough medicine I ever had in the house.—J. L. Moore, South Burgettstown, Pa. For sale by C. W. Milhous.

Coughed 25 Years.

I suffered for 25 years with a cough and spent hundreds of dollars with doctors and for medicine to no avail until used Dr. Bell's Pine-Tar-Honey. The remedy makes weak lungs strong. It has saved my life.

La Grippe is surely contagious. Dr. Miles' Restorative Nervine is a sure preventive.

RAILROAD RUMBLINGS.

G. W. Ormand, of the C. & O., was here today from Covington, Ky.

Manly Wigginton, switchman in the B. & O. yard, is confined to his bed with rheumatism.

Wrecking Master Sam Hodapp went today to Brownstown and Medora to repair broken cars.

An employe of the B. & O. was here last evening doing some work preparatory to putting in large steel rails.

When Nature.

Needs assistance it may be best to render it promptly, but one should remember to use even the most perfect remedies only when needed. The best and most simple and gentle remedy is the Syrup of Figs, manufactured by the California Fig Syrup Co.

The main building of the Band Saw Works was raised today. The other buildings will be raised so soon as the work can be reached.

How's This?

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure. F. J. CHENEY & CO., Toledo, O.

We, the undersigned, have known F. J. Cheney for the last 15 years, and believe him perfectly honorable in all business transactions and financially able to carry out any obligations made by their firm.

WEST & TRUAX, Wholesale Druggists, Toledo, O.

Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system. Testimonials sent free. Price 75c per bottle. Sold by all druggists. Hall's Family Pills are the best.

Too Well Imitated.

It is no easy matter for a violin maker to rival the famous Stradivarius instruments, but this an American maker did and did so effectively that experts pronounced his violin a genuine Stradivarius.

The successful man was the late George Gemunder, a famous violin maker of New York. His remarkable ability as a preparer of violins was known to many a distinguished player, such as Ole Bull, Remenyi and Wilhelmj. But he made, so runs the story, his greatest success at the Paris exposition of Eiffel tower fame. To that exhibition he sent an imitation Stradivarius, and to test its merits had it placed on exhibition as the genuine article.

A committee of experts carefully examined the instrument and pronounced it a Stradivarius. So far Mr. Gemunder's triumph was complete. But now came a difficulty. When he claimed that it was not an old violin, but a new one made by himself, the committee would not believe him. They declared he never made the instrument and pronounced him an imposter. He had done his work too well.—Youth's Companion.

Man was made to mourn and woman was made to see that he does it.—Chicago Record.

DR. BELL'S Pine-Tar-Honey

Ring out the old Ring in the new
Ring out the false Ring in the true

We bring to you the new and true from the pine forests of Norway

Nature's most natural remedy, improved by science to a **Pleasant, Permanent, Positive** Cure for coughs, colds and all inflamed surfaces of the Lungs and Bronchial Tubes.

The weary, cough-worn Lungs are exhilarated; the microbe-bearing mucus is cut out; the cause of that tickling is removed, and the inflamed membranes are healed and soothed so that there is no inclination to cough.

SOLD BY ALL GOOD DRUGGISTS
Bottles Only. 25c., 50c. and \$1.00 Sizes

BE SURE YOU GET
Dr. Bell's Pine-Tar-Honey

I AM 88 YEARS OLD, and never need a remedy equal to Dr. Bell's Pine-Tar-Honey. It gives quick and permanent relief to my colds, coughs and croup. It makes me feel strong.—Mrs. M. A. Reynolds

Travelers and Home-Seekers Going Northwest to Montana and Washington.

Commencing March 15th, can have through sleeping car service from St. Louis every Wednesday, via the Burlington Route, for the entire journey through to Butte, Spokane, Seattle, Puget Sound and intermediate destinations on the Northern Pacific Railway.

The through sleepers are the "real thing," and are carried on the Burlington's Montana Express, leaving St. Louis, 8:45 p. m., Wednesday, via its Northwest Main Line, the Billings Route—the short line and the time saver to the entire Northwest.

This is the only through tourist sleeping car service from St. Louis to Montana or Washington.

The Burlington Route has also inaugurated through first class sleeping car service every day from St. Louis to Butte, Anaconda, Montana. Write us about these things.

L. W. Wakely, Gen'l Passenger Agent, St. Louis, Mo.

F. M. Rugg, Trav. Passenger Agent, St. Louis, Mo.

Made a New Man of Him.

BRYAN, Ohio, Jan. 13, 1897.

Gentlemen:—For years I had been suffering from indigestion. Had a poor appetite and could not eat anything containing grease and had constantly had a worn out feeling. After using three 50c bottles of Dr. Caldwell's Syrup Pepsin I am now able to eat anything my appetite craves and can say it has made a new man of me.

ELI BOWEN.

A. J. Pollen's, Druggist.
